

Contract No.
14-06-100-1618
Supplement No. 1

EXHIBIT A

UNITED STATES
DEPARTMENT OF THE INTERIOR
BUREAU OF RECLAMATION
Boise Project

SUPPLEMENTARY CONTRACT FOR PERFORMANCE
OF REHABILITATION AND BETTERMENT WORK

THIS SUPPLEMENTARY CONTRACT, made this 11th day of March 1959, by and among THE UNITED STATES OF AMERICA, hereinafter called the United States, acting through the Regional Director, Region 1, Bureau of Reclamation, hereinafter called the contracting officer, and the BIG BEND IRRIGATION DISTRICT, the BOISE-KUNA IRRIGATION DISTRICT, the NAMPA & MERIDIAN IRRIGATION DISTRICT, the NEW YORK IRRIGATION DISTRICT, and the WILDER IRRIGATION DISTRICT, hereinafter called the districts, and the BOISE PROJECT BOARD OF CONTROL, the operating agency of the districts, hereinafter called the board, their successors and assigns,

WITNESSETH, THAT:

2. WHEREAS, the United States, the districts, and the board entered into a contract dated September 2, 1958, for performance of certain rehabilitation and betterment work, and the parties desire to modify the provisions of such contract,

NOW, THEREFORE, in consideration of the mutual and dependent stipulations and covenants herein contained, it is mutually agreed by and among the parties hereto as follows:

3. Article 5 of the September 2, 1958, contract is hereby amended to read as follows:

"5. The board shall perform, under the supervision of the contracting officer, the following rehabilitation and betterment work:

a. Repair and improve those portions of the New York Canal designated "Canal Station 529+20 to Station 570+40", "Station 600+65 to Station 638+30", "Station 832+98 to Station 859+58", "Station 992+60 to Station 1018+98", and "Station 1026+18 to Station 1069+30", by furnishing and placing concrete side lining on the lower bank and constructing appurtenant cutoff wall.

b. Repair and improve the portion of the New York Canal designated "Canal Station 699+60 to Station 738+40", and "Station 804+30 to Station 832+98", by furnishing and placing concrete side lining on the lower bank.

c. Repair and improve that portion of the New York Canal designated "Canal Station 1026+10 to Station 1069+70" by placing on the bottom section of the canal a compacted earth lining with gravel protective blanket.

d. Repair the sluice gates and gate structure of the Boise River Diversion Dam."

4. Article 6 of the September 2, 1958, contract is amended by substituting the figure \$416,300 for the figure \$396,300 in the first line appearing on page 4 of said contract.

5. Except as specifically amended herein, all the provisions of the September 2, 1958, contract between the parties shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have signed their names the day and year first above written.
